A Program of All-Inclusive Care for the Elderly

IT'S DIFFICULT FOR SOME SENIORS TO REMAIN AT HOME... HELP IS AVAILABLE THROUGH PACE CNY

A program of Loretto and St. Joseph's Hospital Health Center

Do you know someone who needs help with everyday activities?

Do you worry about a loved one alone at home?

Don't wait until you face a crisis. Learn more about your choices. Plan for the future.

It's a difficult decision when you have to find a place that will provide your aging loved ones with the social, emotional, and medical care they need on a daily basis. You want them to be comfortable and well taken care of. You also want someone you can trust. PACE CNY has high-quality medical care that is nurturing and personalized, yet encourages independence in a dignified manner. When the time comes, consider PACE CNY. You will feel confident and comfortable with the decision you have made.

The PACE CNY purpose is to provide a comprehensive benefit package to individuals who require support to stay at home. The PACE CNY interdisciplinary team is comprised of primary care physicians and nurses; physical, occupational, and speech therapists; recreation therapists; social workers; home health aides; dietitians; drivers, and other specialists, as needed, depending on what your loved one requires. Services from these individuals may be provided in the participant's home, day health centers, or long-term care facilities, if needed. On-call health care coverage by doctors and nurses is available 24 hours a day, 7 days a week, 365 days a year.

Interdisciplinary Team

PACE CNY encourages participants to remain as independent and active as possible. With personalized care plans and respectful treatment by caregivers, your loved one will maintain the dignity and the quality of life they deserve.
