# Volunteer

*and See What Great Things Happen!*

PACE CNY is based on the philosophy that emphasizes maximum independence and dignity for frail seniors in their homes. A multidisciplinary team provides services to meet the needs of each participant. PACE CNY offers home care, medical care, rehab/restorative services, social day care, nutritional services and transportation.

The goal is for participants to remain as independent as possible in their own homes with the support and services of PACE CNY.

PACE CNY day centers offer the opportunity for participants to interact with others and enjoy a variety of recreational activities.

Volunteer opportunities are available at either location:

**100 Malta Lane  
North Syracuse, NY 13212**

**115 Creek Circle Drive  
East Syracuse, NY 13057**

PACE CNY is part of the Loretto network of services, caring for older adults in Central New York since 1926.
